Remarks

This beautifully updated home is packed with modern amenities and thoughtful renovations. The kitchen has been transformed with new vinyl plank flooring, a sleek stainless-steel dishwasher, and an elegant island with quartz countertops and a stylish tile backsplash. Recessed lighting brightens the space, with pendant lighting adding a warm touch above the island. The living room boasts refinished hardwood floors, a gas fireplace with a stunning quartz hearth, and dimmable recessed lighting to highlight the custom built-ins. The fully remodeled bathroom features frosted glass, updated tile flooring, a subway-tiled tub, and improved ventilation with both an air conditioning vent and exhaust fan. In the primary bedroom, you'll find a spacious walk-in closet with a pocket door for privacy and a ceiling fan for comfort. The remodeled basement offers recessed lighting, electric baseboard heating, and new windows throughout the home. Major system updates include a new boiler with water softener, a Remi air-purifying system, and retrofoam insulation. The exterior has been freshly painted, with a sealed driveway, new garage door and opener, a radon mitigation system, and enhanced landscaping with Green Giant trees for added privacy on a fenced in double lot.
